Société Vaudoise pour la Protection des Animaux  
Route de Berne 318  
1000 Lausanne  
tél. 021 784 80 00

The center is interested in wool donations which can either be mailed by post or delivered on site.

The yarn is used to knit blankets to line the carrying boxes transporting the animals from the shelter to their new homes.

*Although they have knitters, should anyone also be interested in knitting blankets, please contact (Dora)*

**Evam** .. <https://www.evam.ch/contacts/> Not taking anything at the moment

**L'armée du Salut :**

:<https://www.brocki.ch/fr/je-donne/>

*Note from Beth :Soupe Populaire was an idea but I have never given knitted things.  
I no longer have the day shelter contact for refugee men, and The Sisters of Charity have closed their shelter in Lausanne. It might be worth contacting EVAM to donate hats etc to refugees (men, women, and children.)*

I double checked and didn't find anything under their site- Cynthia
